

Attention to the international students!

Mini-exam “Lipid metabolism”

From 13th to 17th April, you are taking Mini Exam on Lipid metabolism. All of you must pass this Mini Exam, even if you missed classes and have not made up them yet!

For this each of you will obtain 2 questions from the lipid metabolism. Question for each student will be sent to the leaders of the groups. Answer them in the written form, take a picture, and email to your leaders. The leader must collect all answers and forward them to the teacher. The name of the student must be indicated in every message.

Last deadline is Friday, 17 th April, (no later than 3 p.m.) .

For students who do not provide answers to questions by this time the mini-exam will not be counted.
