

Announcement for 5th year students of the faculty of foreign students (English language of studying).

Dear students!

The individual mean scores for Public health and Health services are available at the electronic register. Please, find them there.

Students who agree with the average score (7 or higher), regarded as an examination score, pass their credit cards (зачетки) through the leader of the group to the Department on the day of the exam.

date	group	classroom	examiners
