PLAN

of the lectures and laboratory classes in Department of Pathophysiology for foreign students for 6th semester of 2019--2020 education year

№	Date	Topic of the lectures	Lector	Topic of the classes
1	10.02 -16.02.2020	CIW -12. Pathology of WBC system. Leukocytosis. Leucopenia (1,3 ч.)		Pathology of WBC system. Leukocytosis. Leucopenia
2	17.02-23.02.2020	Pathophysiology of endocrine system (19.02)	Maksimovich N.Ye	Tumor growth. Leukemia.
3	24.02-01.03.2020	CIW -13 Pathology of hemostasis (1,3 ч.)		Pathology of hemostasis. Thrombophilia
4	02.03-08.03.2020	Pathophysiology of the blood circulation. Myocardial infarction (04.03)	Maksimovich N.Ye	Hemorrhagic disorders. Disseminated intravascular coagulation
5	09.03-15.03.2020	CIW -14 Pathophysiology of higher nervous activity. Syndromes of alcohol and drug addiction (1,3 ч)		Concluding session № 2. "Pathology of blood and hemostasis."
6	16.03-22.03.2020			Pathophysiology of the nervous system. Movement disorders.
7	23.03-29.03.2020	CIW -15 Pathology of arterial pressure. Arterial hypertension. Hypotension of the blood circulation		Disorders of sensation. Pathophysiology of higher nervous activity. Syndromes of alcohol and drug addiction.
8	30.03-05.04.2020	Pathology of cardiac rhythm (01.04)	Khodosovsky M.N.	Pathophysiology of the endocrine system. Violation of the hypothalamus, pituitary and adrenal glands
9	06.04-12.04.2020	CIW -16 Pathophysiology of the endocrine system. Violation of the hypothalamus, pituitary and adrenal glands (1,3 ч.)		Violation of the thyroid, parathyroid and the reproductive glands.
10	13.04-19.04.2020			Pathophysiology of the blood circulation. Myocardial infarction.
11	20.04-26.04.2020	CIW -17. Pathology of the breathing(1,3 ч.).		Pathology of cardiac rhythm
12	27.04-03.05.2020	Pathophysiology of the liver. Jaundice (29.04)	Khodosovsky M.N.	Pathology of arterial pressure. Arterial hypertension. Hypotension
13	04.05-10.05.2020	CIW-18 Renal disorders <i>Nephrolithiasis</i> (1,3)		Pathophysiology of the breathing
14	11.05-17.05.2020			Renal disorders
15	18.05-24.05.2020	CIW-19. Pathophysiology of the digestive system. (0,9 hr.).		Pathophysiology of the liver. Jaundice
16	25.05-31.05.2020			Pathophysiology of the digestive system. Summing up the education year. MCQ.
