

PLAN

of the lectures and laboratory classes in Department of Pathophysiology for foreign students for 6th semester of 2018--2019 education year

№	Date	Topic of the lectures	Topic of the classes
1	11.02-17.02	Pathophysiology of endocrine system (14.02)	Pathology of WBC system. Leukocytosis. Leucopenia
2	18.02-24.02	<i>CIW -12.</i> Pathology of WBC system. Leukocytosis. Leucopenia (1,3 ч.)	Tumor growth. Leukemia.
3	25.02-03.03	<i>CIW -13</i> Pathology of hemostasis (1,3 ч.)	Pathology of hemostasis. Thrombophilia
4	04.03-10.03	<i>CIW -14</i> Pathophysiology of higher nervous activity. Syndromes of alcohol and drug addiction (1,3 ч)	Hemorrhagic disorders. Disseminated intravascular coagulation
5	11.03-17.03	Pathophysiology of the blood circulation. Myocardial infarction (14.03)	Concluding session № 2. "Pathology of blood and hemostasis."
6	18.03-24.03		Pathophysiology of the nervous system. Movement disorders.
7	25.03-31.04	<i>CIW -15</i> Pathology of arterial pressure. Arterial hypertension. Hypotension of the blood circulation	Disorders of sensation. Pathophysiology of higher nervous activity. Syndromes of alcohol and drug addiction.
8	01.04-07.04	<i>CIW -16</i> Pathophysiology of the endocrine system. Violation of the hypothalamus, pituitary and adrenal glands (1,3 ч.)	Pathophysiology of the endocrine system. Violation of the hypothalamus, pituitary and adrenal glands
9	08.04-14.04	Pathology of cardiac rhythm (11.04)	Violation of the thyroid, parathyroid and the reproductive glands.
10	15.04-21.04		Pathophysiology of the blood circulation. Myocardial infarction.
11	22.04-28.04	<i>CIW -17.</i> Pathology of the breathing(1,3 ч.).	Pathology of cardiac rhythm
12	29.04-05.05	Pathophysiology of the liver. Jaundice (02.05)	Pathology of arterial pressure. Arterial hypertension. Hypotension
13	06.05-12.05	<i>CIW-18</i> Renal disorders <i>Nephrolithiasis</i> (1,3)	Pathophysiology of the breathing
14	13.05-19.05		Renal disorders
15	20.05-26.05	<i>CIW-19.</i> Pathophysiology of the digestive system. (0,9 hr.).	Pathophysiology of the liver. Jaundice
16	27.05-02.06		Pathophysiology of the digestive system. Summing up the education year. MCQ.
